

Product Safety Recall

Sold at jimy Industrial P/L between 1 June 2014 and 30 June 2023.

Product description:

jimy Vehicle Recovery & Snatch Straps

Model # 91.905.15 & Batch # 6/2014– White Nylon Snatch Straps 9m x 60mm x 8,000 kg

What are the defects:

The products do not comply with the mandatory standard for recovery straps for motor vehicles.

The products do not cover all of the required warning labels.

What are the hazards:

Recovery straps without the required safety warning label may be used incorrectly. There is an increased risk of injury or death if recovery straps are used incorrectly.

What should consumers do:

Consumers should immediately stop using the product and check the model number which can be found on the white sewn in label attached to each strap.

Affected consumers should contact jimy tools & Equipment P/L, including the below information, to register for a replacement warning label and instructions, these will be sent directly to consumers by post.

Consumers should email contactus@jimytools.com.au and include their full name, address, daytime telephone number, number of affected straps and the model numbers.

For more information, consumers can contact jimy Tools & Equipment P/L by phone on p 08 8269 9700 (Monday to Friday 9:00am – 4:00pm ACTD)
